Dear Loyal Patients,

It is after careful consideration and heartfelt reflection that I have made the decision to retire due to my cancer diagnosis and prognosis. The time has come for me to turn the day to day operations of the practice over to a successor. I am pleased to announce that Courtney H. Suggs, D.M.D has acquired my practice full time starting June, 6<sup>th</sup>, 2019.

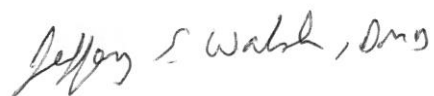

I feel very confident that I have found the right person to continue to serve you. I also feel very blessed to have found and experienced dentist with a wonderful and caring personality. Her training, philosophy of treatment, and patient care are very much aligned with those of which my practice has always strived to provide.

Dr. Suggs is a native of Horry County. She graduated from The University of South Carolina. She then received her Doctor of Dental Medicine degree from my own Alma Mater, The Medical University of South Carolina. Following dental school, she completed a two year residency program at Wake Forest Baptist Medical Center. I am very pleased to announce that my entire staff will continue to stay with the practice and work along with Dr. Suggs. I would implore you to support Dr. Suggs. She is a wonderful person who will bring a high level of skill and compassion to this practice.

I have had the opportunity to meet some very special people over the years, and I want to express my thank you and appreciation for the confidence and loyalty you have shown me. It has been a great pleasure for me to have the privilege of providing for the dental needs of you and your family. Thank you all for the support you have shown me during the difficult time for me and my family. I will continue to live in Carolina Forest and hope to see many of you in the community.

Starting June 6<sup>th</sup>, 2019 all previously booked appointments will be seen by Dr. Suggs. I feel very confident that you will be pleased with Dr. Suggs. She will be my future dentist, as well as my family's dentist. You have made my career most rewarding, and I am truly humbled to have been able to care for you all.

Sincerely and God Bless,

Jeffery S. Walsh, D.M.D
